Submitted with reference to this office no 632 & 29 dated 18th July 1896. With regard to the heavy loss incurred at the 2nd sale of the Mankam Toddy shop, the Deputy Commr in Kolar, explains that it is usual to allow outsiders to compete at ~~sale~~ the sales & in this particular instance the individual who bid for the shop was a pauper as well as an outsider whose solvency it was difficult to ascertain at the time.

He further reports that the rentals of last & previous years cannot be given as the shop in question was not in those years ~~being~~ sold separately but that as the shop was included in the Taluq, the average rental might be taken at 366-12-0 for the year 1895-96.

Sir,

In reply to your docket No. 632 / Ex. 29, dated the 18th July 1896, I have the honor to submit, herewith, copy of docket No. 1441 / 967, dated the 29th September 1896, from the Deputy Commissioner Kolar District, explaining the cause of the heavy loss at the resale of the Toddy shop at Masikam, Kolar Gold Fields for 1896-97. With a view to secure competition, it is desirable that outsiders should be allowed to bid for both Toddy and

and Arrack shops.

2. The Amounts of rental for the previous years cannot be given for the Toddy shop at Masikam, as it was not then sold separately; but the average proportionate amount of the shop for 1895-96 is Rs 366-12-0.

General No 1441
No 967

His Official Memorandum No
492/18 dated 22nd July last.

With reference to the above, has the honour to state that Mr B. G. Krishnaiengar, the then Acting Deputy Commissioner conducted the first sale of the Massikan Village Toddy shops in the presence of the Amildar of Bowringpet and the Superintendent. One Chengiah a resident of Her Majesty's Territory whose solvency &c seems to have been ascertained by the Amildar and Superintendent, purchased the

the shop on condition of depositing Cash security to ——— the extent of 4 months Kist. As the said Chengiah who subsequently stated to have bid for others, kept back without paying the promised deposit, within the prescribed time, the shop was duly notified to be resold. Mr. Abdul Aziz, Extra Assistant Commissioner conducted the sale on the 24th June last in the presence of the Amildar and the Supervisor. The resale only fetched Rs. 637-8-0 including cess resulting in a net loss of Rs. 1299-8-0 after deducting the initial deposit of Rs. 103 given by the first purchaser.

2. The first purchaser Chengiah has already been reported in this Office vide $\frac{5039}{2664}$ to be a pauper owning neither house nor other property in this Province.

3. The people of Her Majesty's Territory Come forward and purchase almost all the shops in the Bowringpet

Taluk

Taluk. Almost all of them very
regularly pay up the Kists, but in
very rare instances a case similar
to the present instance occurs. It
is therefore very difficult to ascertain
their solvency or otherwise and
there is no express provision not to
admit an outsider to bid in the
sale and if they are prohibited not
only the Competition may not be very
keen, but there may also be a fall
in the sale proceeds. Even in the present
instance there would have been no
default if the first purchasers had
not been disappointed by the men
for whom he bid.

4. During the previous year the
whole Taluk used to be purchased
by a single individual, but during
the current year to break up
Combination and to afford facility
to Edigars the Taluk was sold
shopwar in convenient groups. Hence
no separate amount was shown
against

against this shop in question for the previous years.
